

Zug: private equity cluster

Across the world, private equity and private market investments are rapidly gaining importance. Zug is a leading location, offering a concentration of nationally and internationally prominent managers and specialized service providers. The excellent environment, available expertise and capital attract innovative companies with high value creation and attractive jobs.

«Partners Group was established in Zug in 1996 and «cut its teeth» here. We have expanded our office several times to accommodate our growth. Zug has proven to be an outstanding base and a reliable partner for our growing global business, providing the resources and infrastructure we require for our international focus and needs.»

Zug – World-renowned location for private equity

Clustered in a few square kilometers along the north shore of the Lake of Zug and closely interconnected with nearby financial centers in Zurich and Ausserschwyz, a dynamic ecosystem thrives, combining leading private equity firms, specialized service providers, established global corporations and innovative growth companies.

Growing importance of private markets

Private equity has considerable importance for the development of innovative companies, for financing succession solutions and for financing large infrastructure projects – regionally and globally.

Best prerequisites for private equity companies

Zug has an industrial background as well as a long and successful tradition in international commodity trading and alternative investments. This combination, coupled with a competitive legal and tax system and state-of-the-art infrastructure, is what attracts leading PE firms, international lawyers and specialized consultants.

«The fact is that Zug is one of the best places in Europe to run a private equity business. Zug offers a highly skilled workforce with a deep pool of international employee talent, an abundance of businesses serving the private equity industry. Coupled with a very business friendly government and excellent standard of living, Zug is an excellent place to grow a successful global business.»

Thomas Kubr
Managing Director & Chairman
Capital Dynamics

«Since our founding more than 20 years ago, we have been located in Zug. Thanks to the attractive environment, the excellent collaboration with local authorities and a dynamic ecosystem, we've steadily developed our private equity business and we now invest in over 50 companies from various sectors.»

Martin Staub
Partner
Invision Private Equity

«As one of the leading private equity companies in the German-speaking part of Europe and in view of our increasingly international orientation, a good infrastructure is crucial for Capvis. In Zug we enjoy both the proximity to the airport and to our service providers and partners. Here we have every opportunity to continue our successful growth.»
